About Straive

As a data analytics and AI operationalization company, we don't just build top-tier data analytics and AI solutions—we integrate them seamlessly into your core workflows. This approach drives enhanced efficiency, improves user experience, and boosts revenue, setting you apart from the competition.

Serving a diverse range of industries—including Pharmaceutical & Life Sciences, Manufacturing & Supply Chain, Science & Research, EdTech, Banking & Financial services, Retail & CPG, GCCs, and Media & Entertainment—we have a global client base spanning over 30 countries.

Our strategically positioned resource pool operates across nine countries: the Philippines, India, the United States, Nicaragua, Vietnam, the United Kingdom, Singapore, South Africa, and Canada.
