Accelerate Publishing Excellence With Intelligent Automation & Next-Gen AI

Transform the Submit-to-Publish Journey with the aiKira AI Platform

The Market Imperative

The academic and scientific publishing ecosystem faces persistent inefficiencies:

Operational Burden
Manual, time-intensive processes that slow production velocity.

Workflow Fragmentation
Disconnected, siloed stages that create bottlenecks and friction.

Integrity and Compliance
An uncompromising need to maintain data quality and scholarly rigor.

Turnaround Pressure
Growing demand for faster publication cycles without compromising quality or accuracy.
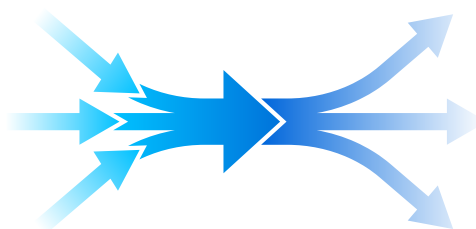

Introducing the aiKira AI Platform

A fully integrated, intelligent solution built to power the future of publishing

aiKira replaces fragmented, manual workflows with an adaptive, AI-driven architecture that delivers speed, accuracy, and insight.
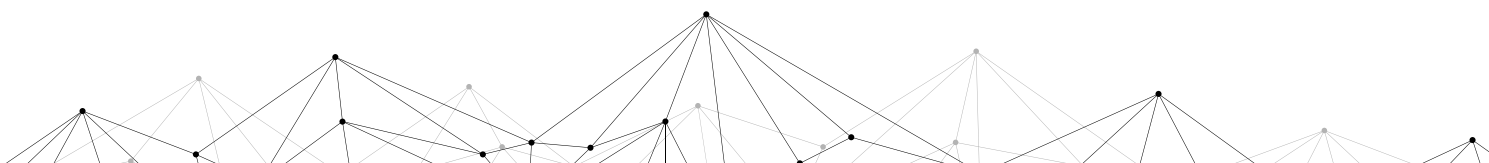

Inputs
Word | LaTeX
XML | JSON | PDF
Multimedia

Outputs
High-quality publications - faster, smarter, and with uncompromised accuracy

The aiKira Advantage

Intelligent Automation
Streamlined, agentic AI workflows that reduce costs & enhance productivity.

AI Analytics
Predictive insights and real-time decision optimization.

Quality Assurance
Advanced AI-QA ensuring flawless output and content integrity.

Robust Architecture
Modular API-driven design that's secure, scalable & future-ready.

Generative AI
Autonomous workflows for submission, summarization, enrichment, and dissemination.

aiKira AI Platform: Modern AI-powered solutions to transform Submit to Publish

SUBMIT TO ACCEPT
aiKira Content Assess | aiKira Research Integrity | aiKira Reviewer FInder | aiKira Transferdesk | aiKira Scope and Language check

ACCEPT TO PUBLISH
aiKira DocPrep | aiKira Content Profiler | aiKira SmarTeX | aiKira Convert | aiKira Copilot | aiKira Proof
aiKira AI CopyEdit | aiKira Language Edit | aiKira ART | aiKira Hyperpage | aiKira QA | Space AI (Accessibility)

PUBLISH TO CONSUME
emailAssist | Copywrite | DocChat | DocExplore
Aligned Services | **Consumption Enabling**

WORKFLOW
Workflow Manager | Transmittal Services | Schedule Management | Track Your Paper
BI Reports / Strategic | Metadata Management | Article / Issue | Task Management

ACCELERATORS
LLM Foundry | Expert-in-Loop (XML/Art/Copyedit/PDF)

The Proof Is In The Performance

Empowering global clients with solutions that perform and scale.

- Scalable, customizable solutions
- Secure & compliant systems
- Proven domain expertise across industries
- Demonstrated ROI with global clients
- Efficiency gains through AI-augmented publishing workflows
- Faster turnaround for content production and delivery

Experience the Future of Publishing.
Don't let legacy workflows dictate your pace of innovation.
See how the aiKira AI Platform can redefine your publishing journey.
